

STATE OF CONNECTICUT
GOVERNOR DANIEL P. MALLOY

**GOV. MALLOY ANNOUNCES COMPANIES TO CREATE NEARLY 4,000
JOBS AND RETAIN OVER 15,000 JOBS STATEWIDE**

(HARTFORD, CT) – Governor Dannel P. Malloy announced following today’s state Bond Commission meeting that 16 companies have been approved for \$80.7 million in assistance to relocate, expand, and create new jobs throughout the state. In total, the companies are expected to retain 15,003 jobs and create 3,876 jobs.

“The investments we’re making today will produce thousands of good-paying jobs for our residents for years to come,” Governor Malloy said. “These investments are further proof of our commitment to companies right here at home, and to welcome new businesses to the great state of Connecticut.”

The projects include:

- **American Seal and Engineering (Orange):** The over \$8 million project consists of a \$1.5 million loan to assist with acquisition of equipment for expansion at its facilities in Orange. The company will retain 49 jobs and create 25 new jobs.
- **Budderfly LLC (Shelton):** The \$24 million project consists of a \$3 million loan to assist with acquisition of equipment for expansion in Shelton. The company will retain 9 jobs and create 250 new jobs.
