Subject: Commissioner K. Wade
Date: Wednesday, July 06, 2016 12:22:06 PM

Dear Ethics Commission:

Given the numerous contacts Insurance Commissioner Katharine Wade has had with her former employer CIGNA and other current familial ties to that company I believe it is unethical for her to continue as Commissioner while her agency rules on what could probably a very lucrative merger with Anthem. Thank you for considering this letter.

Sincerely,
Blair F. Bertaccini
CT State retiree
