Subject: Wade and Anthem-Cigna merger
Date: Thursday, July 21, 2016 9:03:47 AM

To: State of Connecticut Ethics Board

I urge you to require Insurance Commissioner Katharine Wade to recuse herself from the Anthem-Cigna merger. While no Connecticut resident can truthfully be designated impartial, everyone's health care will be affected, I implore you to find the most unconnected, unprejudiced, honorable individual possible. This critical decision must be made in an absolutely ethical manner.

Thank you,
Nancy Hansen
