Liaison Roundtable

In 2011, the OSE will again offer quarterly roundtables on specific topics. The first roundtable will be for Ethics Liaisons and Compliance Officers – a perfect opportunity for those new to this role, as well as a great refresher for veterans. Join us for a brief overview of the Code of Ethics and a discussion of the duties and responsibilities of ethics officers in the law.

Ethics Roundtable: Ethics Liaisons/Compliance Officers
Friday, February 25, 9:00 a.m. – 10:00 a.m.
18-20 Trinity Street, Suite 205, Hartford

Visit the [calendar of events](#) on the OSE's website for more details and to register online.

Additional Training Opportunities

In addition to the quarterly roundtables, OSE staff will offer general training on the Code of Ethics for Public Officials and State Employees once a month at the OSE. Please send your new employees or any who may have missed a training opportunity at your agency. The first of these monthly sessions is on Monday, March 21. Details and online registration can be found on the OSE's website, in the [calendar of events](#).

The OSE continues to offer in-person training at your agency free of charge. Please use the [Training Request Form](#) to make arrangements.

We look forward to helping you make ethics a priority in 2011!
