Agency Ethics Officers

The list of current state agency ethics liaisons and ethics compliance officers has been recently updated. Please take a few moments to check the [list](#) and make sure that your agency is properly represented. Please forward any changes to me at meredith.trimble@ct.gov. To expedite our communication and streamline the management of this list, we will be moving to a ListServ in April. A special announcement regarding this eagerly-anticipated shift will follow shortly.

SFI Deadline

Statements of Financial Interests are due on May 1, and we encourage all filers to file [online](#). Thank you to the many ethics officers who have taken time to remind their agency filers of this requirement – we appreciate your role in ensuring compliance. Please contact Yolanda Perez at 860-566-4472 x422; Yolanda.perez@ct.gov with any SFI filing questions or for personal assistance. Note: If your agency has not yet forwarded a list of required filers to the OSE, please be sure to do so immediately. To confirm your agency's submission of the filer list, feel free to contact Ms. Perez at the number above.

OSE Contact

I am very pleased to be back from leave and will be in the office full days on Mondays and Wednesdays, and until noon on Thursdays. Should you have urgent matters outside of those times, please contact Diane Buxo at 860-566-4472 x431; diane.buxo@ct.gov. Otherwise, I look forward to reconnecting with you in the weeks ahead!

Best regards,

Meredith Trimble
Director of Education
