

The Connecticut Geographic Bee is a program of the National Geographic Society. It has been in existence for 24 years. This map represents the 100 state winner's schools. Those state finalists were chosen by a written geography test. Over 240 schools and close to 100,000 students participated in this program available to 4-8 graders across the country. This year's state finals will take place on March 30, 2012 at Central Connecticut State University. The winner of that competition will
