

## It's Farmer's Market season again!

DEP staff can get fresh fruits and vegetables grown right here in Connecticut by just walking around the corner! Every **Monday** starting July 11<sup>th</sup> through October 31<sup>st</sup>, the Capitol Avenue Farmers Market (corner of Clinton Street at the Presbyterian Church) will be open from **10:00 am to 1:00pm**.

Buying locally grown foods is a win-win! Please patronize our CT farmers for the nutritious and delicious fresh food they produce, as well as the reduced air pollution and greenhouse gases resulting from their efforts. Support CT Grown!
