<p>*Per CT Worker’s Comp., Safety Committees should hold elections for their Chairperson. In order to comply, we will hold an election each January. Employees with interest in serving as well as sufficient time to devote to serving as the Chairperson for 2012 should contact the Safety Office prior to January 10, 2012, after getting their supervisor’s written permission to allocate time away from their primary duties to serve as the DEEP Safety and Health Committee Chairperson. A ballot for voting by Safety Committee Members will be provided at the January meeting.</p> <p>** Per CT Worker’s Comp., Safety Committee members should be both Managerial and Non-Managerial members. Currently the composition of the committee is at least one person per division (except for the Energy Branch which has two members who represents all Divisions). We encourage membership by or input from employees who have an interest in making our workplace a safe and healthful place to work. Managers and Supervisors are strongly encouraged to become members or attend meetings.</p> <p>We hold quarterly meetings, usually the third Wednesday of January, April, July & October. Meetings are held at different DEEP Facilities. New for 2012 - Guest speakers will occasionally be invited to speak on Committee and/or Safety related information.</p>	
<p><u>Facilities where we usually hold meetings:</u></p> <p>Hartford, 79 Elm – January Session Woods WMA, Burlington - April Marine District HQ, Old Lyme - July Franklin WMA, Franklin - October</p> <p><i>All Managers are invited to attend any meeting.</i></p>	<p><u>Future Meetings – Possible Locations</u></p> <p>Ag Station (With Speaker!!) tentative Other ideas are welcome.</p> <p><i>Note: For meetings out of Hartford, we usually reserve a van, so if you need a ride from Hartford, let us know. If there are enough members needing a ride we may be able to get two vans reserved.</i></p>
