

# Learn German the Fun Way!

*Join us  
Saturday  
mornings*

The German School of Connecticut is a professionally recognized center for German language and culture, with a high-quality educational program for children and adults of all ages. Students at all levels, from beginner through native speaker, are matched with dedicated, qualified teachers to develop, improve and maintain German language skills. We foster strong academic growth and a wider world view for all students in a friendly and stimulating atmosphere. GSC meets on Saturday mornings during the school year.

In Connecticut students can receive up to four credits toward meeting graduation requirements in world languages thanks to a bill passed in 2008, (Public Act 0801380)

## Open House: September 1, 2012
