

Station 5.

Find the American Chestnuts.
Learn about the disease that
nearly killed them and how
breeding shows promise to
bring them back to CT forests.

Station 6.

Visit the greenhouse where
scientists are growing spinach
without soil.

PASSPORT FOR KIDS

To

PLANT SCIENCE DAY 2010

*Our 100th
Anniversary*

www.ct.gov/caes

Welcome to Plant Science Day and Lockwood Farm.

This is your special passport to help you enjoy and explore Plant Science Day.

Please visit the 6 different stations located throughout the Farm and receive a special stamp for your *PASSPORT* at each station.

Once your *PASSPORT* is filled with all the stamps, you can go to the *Kids' Korner* tent and receive a prize!

Use the *KID'S MAP* to find all the Kid's Stations.

Please visit the many other research plots and listen to the Short Talks.

Enjoy your adventure!

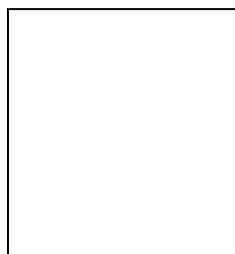

Station 1.

Find the tick tent and learn about how to protect yourself from tick bites when you play outdoors.

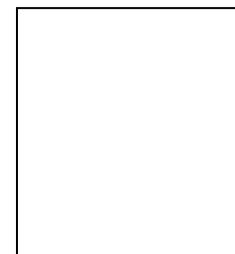

Station 2.

Visit the bird and butterfly garden. How many butterflies and birds can you see?

Station 3.

Learn about native shrubs and how they can be used in the place of invasive, non-native plants in the landscape.

Station 4.

Find the honeybees and learn how they make honey for us to enjoy.
