Extended School Year <i><u>Adventures in Learning</u></i>	<i><u>Credit Recovery</u></i>	<i><u>Summer Blast</u></i>
For students in grades 6-12 who may need an Extended School Year program. Funded by school district .	For regular and special education students in grades 9-12, who have failed courses. Funded by school district, parent, or agency.	For teenagers in grades 7-10 who are too old for babysitters, yet too young to be on their own all day. Funded by school district, parent, or agency.
Six week therapeutic enrichment program for middle and high school students.	Two, 3 week sessions offered; ability to earn up to one credit per session.	Full summer or 2 weeks at a time!
Structured days, imbedded learning via curriculum driven activities and trips.	Ability to complete coursework necessary to earn credit toward graduation.	Activities, trips, and community service that emphasize hands on learning and fun!
Services designed to meet students' educational (IEP), social, and emotional needs.	Courses pre-approved by home district, ensuring acceptance of transfer credits.	Please call 860-289-8131 for more info!
