Dear Friends,

We are deeply grateful for your thoughtful gift of \$1,000.00 (Joyce Saltman honorarium) to The Hole in the Wall Gang Fund in support of programs at our Camp in Ashford, Connecticut. It is noted for federal income tax purposes that no goods or services were provided in return for your donation.

I would like to take this opportunity to welcome you to our Camp family. As a first time donor your gift holds special importance to us. You have shared with us your trust and we receive that with humility and gratitude. Thank you for believing in the mission of The Hole in the Wall Gang Camp. Our family of over 9,000 active donors is stronger and more compassionate as a result of your inclusion. You should know that it is our policy to never share or sell the names and addresses of our donors.

"I wonder what life would be like if I wasn't sick." Over the last twenty years, I have heard this sentiment expressed many times by campers. At The Hole in the Wall Gang Camp it is our great joy to provide a camp experience where our campers can do just that - experience life without boundaries or limits. Our campers have the opportunity to horseback ride, climb towers, make woodshop and crafts projects, sleep next to a campfire, catch as many fish as possible, and sing and dance their hearts out on stage. Camp is a place where the children, first and foremost, can simply be kids. Certainly, their medical treatments continue while they are at Camp, but we try to make those treatments as unobtrusive as possible. Our kids are at Camp to play.

In addition to our summer camp program that serves more than 1,000 children, Camp operates twenty weekend programs throughout the year for our campers and their families. We have seen that behind every sick child is a family in crisis, so whatever we can do to support the families will have a positive effect on our campers. We also bring Camp to children in hospitals throughout the Northeast. Over the course of the year more than 15,000 children and family members will be served in a variety of programs.

If you have any questions about Camp and our programs please contact our New Haven office at (203) 772-0522 or e-mail us at info@holeinthewallgang.org. Without your support we could not do what we consider a privilege to do. We intend to create and share memories that will last a lifetime.

Warmly,

James H. Canton
