

## **Consumer Counsel Tours Millstone Nuclear Power Facility**

On Wednesday, June 19, Consumer Counsel Katz toured the Millstone Nuclear Power Facility in Waterford, CT. Millstone generates enough electricity to supply approximately one-third of Connecticut's power load. It is owned by Dominion Resources. She is pictured here with Kevin Hennessy, Dominion's New England Director of Federal, State, & Local Affairs, Public Utilities Regulatory Authority (PURA) Chair Arthur House, and PURA Commissioner Michael Caron.
