

Additional Smart Start FAQs

61) Can a local or regional board of education charge a family fee in excess of the sliding fee scale?

A local or regional board of education may choose to charge a family fee in accordance with the approved sliding fee scale for all students funded by Smart Start (up to 15 students). If the local or regional board of education chooses to enroll additional students to those funded by Smart Start (up to three students), they may choose to charge tuition in an amount that is locally determined.
