Members of the Commission on Health Equity:

As noted at our recent Commissioners meeting earlier this week we have an important retreat schedule for **Tuesday, September 15, 2009 from 8:30 AM to 3:30 PM at the Hispanic Health Council, 175 Main Street, Hartford, CT 06106.**

In preparation for our upcoming retreat, I am requesting that each cluster work group send your progress report to all Commissioners and our facilitator, Jacqui Lindsay, jacqui.lindsay@verizon.net, **by Thursday, September 10th**. This will assure that we have a complete understanding of the direction of the three clusters and will contribute to the valuable feedback required at this critical phase of our work plan and time line.

Thank you.

James E. Rawlings, Chair
Commission on Health Equity
