

Small Town Economic Assistance Program (STEAP) Guidelines and Application

Please read this information before completing the application.

The Small Town Economic Assistance Program (C.G.S. Section 4-66g) funds economic development, community conservation and quality of life projects for localities that are ineligible to receive Urban Action (CGS Section 4-66c) bonds. This program is managed by the Office of Policy and Management and grants are administered by appropriate state agencies.

STEAP funds are issued by the [State Bond Commission](#) and **can only be used for capital projects**. A project is considered to be a capital project if it is new construction, expansion, renovation or replacement for an existing facility or facilities. Project costs can include the cost of land, engineering, architectural planning, and contract services needed to complete the project. Projects eligible for STEAP funds include:

- Economic development projects such as (a) constructing or rehabilitating commercial, industrial, or mixed-use structures and (b) constructing, reconstructing, or repairing roads, access ways, and other site improvements;
- Recreation and solid waste disposal projects;
- Social service-related projects, including day care centers, elderly centers, domestic violence and emergency homeless shelters, multi-purpose human resource centers, and food distribution facilities;
- Housing projects;
- Pilot historic preservation and redevelopment programs that leverage private funds; and
- Other kinds of development projects involving economic and community development, transportation, environmental protection, public safety, children and families and social service programs.

Expenditures that **cannot** be funded by STEAP Grant funds:

- Programmatic expenditures or recurring budget expenditures are **not** eligible for STEAP or any other state bond program. However, some projects, while generally capital in nature, should not be funded with State bond money for various public policy reasons including but not limited to administrative improvements.
- The following expenditures are **not** eligible for reimbursement in construction, acquisition or development projects: ceremonial or entertainment expenses; publicity; bonus payments; reserves; charges in excess of the lowest responsible bid where competitive bidding is required unless prior approval is obtained; deficits or overdrafts; interest charged; any judgment for damages arising from the project; fines and penalties; municipal salaries or employee expenses.
- Project components **not** allowable for STEAP fund payment: Furniture, fixtures and equipment (FF&E). FF&E includes movable furniture, fixtures or other equipment that have no permanent connection to the structure of a building or utilities. Examples of FF&E include desks, chairs, computers, electronic equipment, tables, bookcases and partitions.
- Goods and/or services purchased and/or provided before the contract start date, or after the contract end date will **not** be funded without advance written approval of the administering agency.
- STEAP funds **cannot** be used to represent the required “match” portion for another state grant.

For the purposes of this application and any subsequent award, “Authorized Signatory” refers to the municipality’s Chief Executive (Town Manager, Mayor, First Selectman, etc.) – the individual who is legally authorized to apply for the grant and who has the authority to enter into any subsequent agreements.

THIS APPLICATION, ITS RECEIPT, AND/OR ANY SUBSEQUENT ANNOUNCEMENT OR NOTIFICATION OF AN AWARD ASSOCIATED WITH THIS APPLICATION, DOES NOT CONSTITUTE A CONTRACT. A CONTRACT EXISTS ONLY WHEN ALL REQUIRED CONTRACTUAL DOCUMENTS ARE SUBMITTED AND APPROVED BY THE ADMINISTERING STATE AGENCY, AND THE TOWN IS NOTIFIED THAT THE CONTRACT IS FULLY EXECUTED.
