

Office of Transportation Policy

Learn Valuable Job Skills & Experience

As an intern within the Office of Transportation Policy you will gain insight into how the State of Connecticut develops transportation policy and priorities to address the mobility needs of the residents of Connecticut and those traveling to and through our state via all modes of transportation. This internship is un-paid and is a minimum of 10 hours per week. Visit us on the web: www.ct.gov/opm/otp

Interns will have opportunities to:

Attend meetings of the Transportation Strategy Board, Connecticut Public Transportation Association, and other transportation related events.

Attend public hearings on transportation related issues to gain insight into opinions, issues and concerns about transportation in Connecticut.

Learn about transportation issues facing the state and their economic and environmental impact.

Conduct research on current trends and relevant transportation topics.

Work with other interns on agency-wide projects by building relationships with other interns as well as learning about each person's unique experience.

Minimum Knowledge, Skills & Abilities

- Current enrollment in an undergraduate or graduate degree program
- Considerable interpersonal, oral and written communication skills
- Ability to work independently or in groups
- Ability to analyze information and organize findings in a clear format
