Re: Response / Federal Government Shutdown Contingency Planning

Dear Secretary Barnes:

We are in receipt of your letter dated September 24, 2013. In response, the CT Lottery Corporation has assessed the potential impact a Federal Government Shutdown would have on our business. Our organization does not rely on federal funding to operate and our employees are not paid through federally funded programs. We are also not funded by grants or any other outside funding, as we are self sustaining.

If we can be of any assistance to you, please do not hesitate to contact me. We will apprise you if we become aware of any material impact on the corporation.

Sincerely,

Paul Granato
Chief Financial Officer
