Statement of Need and Program Objectives

To fulfill the state's constitutional obligation to provide counsel to indigent, accused persons.

To enable poor defendants to exercise their legal rights in criminal and juvenile courts by ensuring access to legal representation that the client otherwise could not afford.

Program Description

Within the Geographical Area, Judicial District and Juvenile Matters Public Defender Court Field Offices, the public defender or staff is responsible for conducting the initial interview with an accused person to determine eligibility for services. The court, after considering the public defender's recommendation, makes the final determination and appoints the public defender as attorney for an indigent accused person. Assignments are made to investigators and social workers. Plea-bargaining, consultations and pre-trial conferences are completed and, as necessary, trials are conducted. Once pleas or verdicts are entered, pre-sentence interviews with probation and sentencing hearings take place. Post-trial proceedings, such as sentence modification, motions to correct illegal sentence pursuant to State v. Casiano, sentence review, appeal and habeas corpus may be instituted. If an appeal is brought, it may be assigned to the trial attorney, to an attorney within the Legal Services Unit, or to a special public defender specifically approved to handle appeals.

The Legal Services Unit supervises the processing and briefing of appeals, including appeals by special public

defenders on a non-contractual basis. When necessary, this office also pursues appeals in federal court, including the U.S. Supreme Court. The unit provides legal research assistance to the trial attorneys.

MANAGEMENT SERVICES

Statutory Reference

C.G.S. Sections 51-289, et seq.

Statement of Need and Program Objectives

To maintain effective legal representation for the poor by establishing and implementing policies and providing administrative services and training to the staff of forty-three public defender offices and specialized units throughout the state.

Program Description

This unit operates a centralized system which directs activities, allocates resources and supervises the operations of the Public Defender Services Commission. Thirteen managers implement and direct overall policies established by a seven-member governing commission.

Management Services approves and contracts with assigned counsel to handle cases in which conflicts of

interest preclude representation by a public defender. It also establishes fee schedules and pays these special public defenders for their services; compiles, analyzes and evaluates statistics with reference to caseload and case movement and establishes and maintains procedures and standards for full-time personnel and evaluates their performance.

The unit institutes and conducts training programs for attorneys, investigators, social workers and secretarial staff; prepares operating budgets, manuals, reports and publications for the entire division and insures logistical support for all adult and juvenile courts throughout the state.

Management Services acts as liaison with other state agencies, including the Judicial Department, the Division of Criminal Justice, the Department of Children and

Families, the Department of Mental Health and Addiction Services, and the Department of Correction to assess and coordinate inter-related operations. It provides preliminary defense of its personnel in habeas corpus, grievance and professional liability actions; prepares and distributes legal research, memoranda and newsletters to all offices and provides special units of defense to respond to programs initiated by the Judicial Department or the Division of Criminal Justice.

Management Services responds to and acts upon questions and complaints from the general public and individual clients; establishes programs to seek reimbursement from clients able to pay for all or a portion of legal services provided; develops procedures, maintains records, processes all financial actions of the division; purchases materials and equipment and handles the payment of expert witnesses.
