Agency Title:

5% Reduction Option

Agency Description:

A reduction option of 5% to the FY2016 Appropriation will most greatly affect the Governor's Scholarship Program, as it is the largest line in our agency budget. The effect would be to reduce the amount of funding available for scholarships awarded to Connecticut's students attending in-state public and private colleges/universities this year. There is also a proposed reduction to the line for the Minority Advancement Program, which provides funding for various programs throughout Connecticut institutions of higher education.
