### Waiver Narrative

- a. The services are for clients with chronic conditions requiring ongoing care
- b. The State has invested a significant amount of bond money in real property or physical plant for the program
- c. The State is contracting with a municipality or other governmental entity
- d. Zoning or siting implications make location or relocation of the service problematic
- e. The cost to the State of a competitive solicitation process would outweigh the benefits of such a process
- f. Services will be provided by a contractor mandated by CT General Statutes, a public act or special act
- g. Contractor will provide emergency services, including those needed for the protection of life or health
- h. Contractor has special capability, unique experience, proprietary services, or patent rights
- i. Services will be provided by a contractor mandated by the federal government
