Agenda Item	Action Taken
Welcome and Introductions	The meeting was convened at 2:10 p.m. Acting Secretary Brenda Sisco introduced herself as the new Chair of the Council. Council members introduced themselves.
Approve Minutes of the January Meeting	Lindy Gold moved approval of the January 2010 meeting minutes and Dennis King seconded the motion. The motion was approved on a voice vote. Mary Mushinsky abstained and informed the Council that she was chairing another committee meeting and was unable to attend the January meeting.
2010 Legislation Impacting Child Poverty or Prevention	Anne Foley highlighted 2010 legislation impacting child poverty and prevention. The discussion focused on P.A. 10-133 An Act Concerning Children in the Recession. The bill creates new responsibilities for state agencies and the Child Poverty and Prevention Council. The Council is designated as the children in recession leadership team to make recommendations for the state's emergency response to children in the

	<p>recession. The bill also requires that the Council meet quarterly if the unemployment rate in Connecticut is 8% or greater for a three month period. Connecticut's current unemployment rate is 9% and as a result the Council will meet quarterly.</p> <p>It was agreed that council staff would contact council members over the summer to: (a) assess the task force recommendations; (b) identify what is currently being done to implement them; and (c) whether and how they should be incorporated into the council's priority recommendations.</p>
<p>Priority Recommendations</p>	<p><i>Increase Enrollment in the Connecticut Energy Assistance Program (CEAP)</i></p> <p>Pam Giannini from DSS presented information on CEAP which receives its funding from the federal Low Income Home Energy Assistance Program (LIHEAP). The program serves households with income up to 60% of the state median income and provides a basic benefit of \$580 to \$880 per household to subsidize their winter heating expenses. The state contracts with the 12 community action agencies to operate CEAP and there are approximately 120 intake sites including town halls and senior centers. In FY10 the program helped 113,300 households meet their heating costs, of which, 23% or 26,213 had children under the age of 6.</p> <p><i>Increase Enrollment in WIC</i></p> <p>John Frassinelli from DPH presented information on Connecticut's Women Infants and Children Program. The program experienced close to a 7% increase in service level from FY08 to FY09 (56,000 to 60,000 monthly). Council members identified opportunities to increase enrollment by enhancing coordination in the following ways:</p> <ul style="list-style-type: none"> <li>• The Department of Education (SDE) could</li> </ul>

	<p>collaborate with the WIC Program to conduct outreach to Young Parent, Teen</p>
	<p>Moms and Adult Education programs to increase awareness and participation.</p> <ul style="list-style-type: none"> <li>• The WIC program could work with the Nurturing Families Network located in local hospitals to ensure that eligible at-risk families receive services.</li> <li>• DSS and WIC could collaborate to increase outreach efforts between DSS programs and WIC programs/services.</li> <li>• Increase outreach for child nutrition programs such as school breakfast, summer feeding and after-school snacks.</li> <li>• Provide cross state agency training to increase awareness of services provided by other state agencies.</li> </ul> <p>At its September meeting the Council will develop specific action steps to increase enrollment in these two federal programs.</p>
<p>Supplemental Poverty Measure</p>	<p>Anne Foley updated the Council on the federal government's progress in developing a supplemental poverty measure. Mary Mushinsky moved to submit the Urban Institute's Economic Modeling Report to the U.S. Census Bureau and the motion was seconded by Dennis King. The motion was approved on a voice vote.</p>
<p>Other Business</p>	<p>Elaine Zimmerman discussed a new federal program that would extend loans to help unemployed homeowners avoid foreclosure. The Council agreed to send a letter of support for the provision to Senator Dodd as a member of the conference committee that is drafting the legislation. The letter will be distributed to Council members.</p>

Update of State Fiscal Situation	Secretary Sisco stated that, although the state budget closed out FY 10 with a surplus, the FY11 budget relies on borrowing to meet our obligations and there is a significant deficit projected for FY12 and beyond. She recommended that the Council remain mindful of this deficit and focus on recommendations that require no expenditure or those that will represent savings to the state.
Next Meeting	The next Council meeting will be held on September 21, at 2:00 p.m.
