**FY 2009**

Dear Grantee:

The following amount is being awarded for the Federal share of expenditures for the fiscal quarter indicated for the Child Support Enforcement Program under Title IV-D of the Social Security Act. The enclosed "Computation of Grant Award" explains the calculation of the award amount.

<b>Award Amount:</b>	<b>\$792,000</b>
Fiscal Quarter:	10/01/2008 - 12/31/2008

Catalog of Federal Domestic Assistance (CFDA) Program Number:	93.563

By accepting this award, the State agrees to use these funds in accordance with the provisions of its approved State plan for this program, with all applicable Federal laws, regulations and policies, including financial reporting requirements, and with the terms and conditions governing this program and governing the use of Federal funds. The State also agrees to diligently meet the requirement to properly identify, monitor and treat sub recipients of Federal funds as described in the program terms and conditions. Any expenditure made in violation of Federal requirements is subject to disallowance by this agency, including the imposition of interest charges under 45 CFR 30.13 and 30.14.

In addition, the State agrees to comply with the provisions of the Cash Management Improvement Act (31 CFR Part 205) that limit the amount and timing of requests to draw Federal funds to the minimum amount necessary to meet actual and immediate program needs. Although funds included in this award may not be drawn down prior to the first day of the fiscal quarter indicated above and withdrawals may not exceed the total authorized in this and previous awards, unused award authority may be carried forward and used in subsequent quarters. \* The ARRA '09 includes clear expectations that States and other recipients of ARRA '09 stimulus funds will be held accountable for how funds are expended and what benefits are derived from the use of these funds. ACF anticipates requests for spending and performance data that will be posted on the www.recovery.gov web site. Therefore, States should take care to anticipate accountability and transparency requirements and that information on state-reported impact of these expenditures will be available to the public.
