POLITICAL COMMITTEES ESTABLISHED BY OR ON BEHALF OF A LOBBYIST
2009 REGULAR SESSION OF THE CONNECTICUT GENERAL ASSEMBLY

This list is issued by the Commission as required by the provisions of §9-610, General Statutes. It contains the name of each political committee which has filed a certification with the State Elections Enforcement Commission that it was established by or on behalf of a registered lobbyist and includes those PACs that are affiliated with a communicator or client lobbyist as defined in Section 1-91, General Statutes.

The committees appearing on this list are *barred from soliciting and making political contributions during the 2009 regular legislative session* to or for the benefit of (1) candidate and exploratory committees for statewide office and the General Assembly, including committees of candidates who ran in previous elections for such offices, and which have deficits, and (2) other political committees which appear on the list entitled "*Prohibited Recipients List of Political Committees.*" Statewide office refers to the offices of Governor, Lt. Governor, Secretary of the State, Treasurer, Comptroller and Attorney General.

Individuals who are registered lobbyists are similarly barred from soliciting and making political contributions to or for these candidate and political committees. The Office of State Ethics maintains a list of such individuals.

This ban applies from the opening of the regular legislative session on January 7, 2009 until adjournment *sine die* on June 3, 2009. The ban is not applicable to candidates in a special election to fill a vacancy in any legislative office or to candidates for federal or municipal office. (Please note that there is now a permanent ban on soliciting and making contributions that applies to communicator lobbyists, their spouses and dependent children, as well as political committees established by or controlled by a communicator lobbyist. (See Secs. 9-610, General Statutes).

This list was compiled by the Commission from the records provided received from committee treasurers. It is distributed to each statewide officer and legislative leader enumerated in §9-610, General Statutes. It is also available on our website at the above address. Any supplemental list(s) of newly registered political committees, which are subject to these restrictions, will be similarly distributed.

Questions concerning application of any of these restrictions should be directed to the Commission at the address and telephone provided above.
