CODED PURPOSES FOR EXPENDITURES
(For use with Sections A and B of the SEEC Form 22)

(Note: Asterisk * adjacent to the left of an Expenditure Code indicates that **Description Field** is **Mandatory**)

(Warning: The existence of a particular expenditure code does not mean that such expenditure is lawful. To determine lawfulness, individuals must read these instructions and Chapters 155 and 157 of the Campaign Finance Laws.)

Advertising – Each expenditure code beginning with "A-" is to be used to identify the delivery method for paid advertising, which includes advertising to solicit committee funds. Include the costs for *both* the **development and the delivery** of the message. A payment to a professional consultant to develop a message should be coded to the main advertising delivery method below. If a single advertising message is developed for several of the delivery mechanisms listed below, use **A-OTH** for the cost of developing the message and then use the applicable code for the payments associated with the several delivery methods used.

A-DM-expenditure to **advertise** through **direct mail**.

A-MAG-expenditure to **advertise** through a **magazine**.

A-NEWS –expenditure to **advertise** through a **newspaper**.

A-ATM - expenditure to advertise using an **automated telephone/fax message**, or an **automated telemarketing message**.

A-PH-BNK-expenditure for the use of **phone banks**, where people are speaking as distinguished from pre-recorded messages (above) and polls and surveys (below).

A-RAD –expenditure to **advertise** on **radio**.

A-SIGN-expenditure for the cost of preparing, printing, producing or distributing lawn or billboard **signs** visible from any street or highway.

A-TV–expenditure to **advertise** on **television**.

A-WEB –expenditure to advertise on the **World Wide Web**. This includes Webcasting (sending [audio](#) and/or [video](#) live over the [Internet](#)), or any other form of advertising on the web. See WEB for other web related expenditures.

A-OTH –any expenditure for any **other advertising**, not listed above, like the cost of (a) posters, stickers, streamers, banners, *etc.* for distribution on or in buildings or vehicles (i.e. cars, buses, boats, aircraft, etc.); (b) campaign paraphernalia, such as pins, hats, potholders, tee shirts and other campaign giveaway items; (c) audio messages and the cost of transmitting them by speakers from vehicles or buildings; (d) ad placed in ad books, in schools or civic organizations' pamphlets or bulletins, or (e) ad books for fundraising events held by other committees.

OFFICE-expenditures for **office supplies** such as paper, pens, printer cartridges, etc.

POLLS - expenditures associated with **conducting polls and surveys**. This category is to be distinguished from **A-PH-BNK** (phone banks) because the information isn't just delivered to the public but opinion is carefully being sought and collected from the public in some manner to produce a poll or survey result or report.

POST-expenditures for **postage**, such as stamps, bulk mail permits, post office boxes and envelopes, United Parcel Service, Federal Express, etc.

PRNT- expenditures associated with the costs of **printing**, photocopying or reproducing literature, stationery, invitations and the like.

WEB – Expenditures for accessing and having a presence on the **WEB**. This includes payments to develop or maintain: (a) a website and homepage; (b) an internet provider; (c) a domain name on the internet; and (d) similar costs relating to use of the internet. This is not to be used for any costs related to advertising on the web – see A-WEB above.
