Who Must File: These filings cover candidate committees and exploratory committees organized for the November 4, 2014 election cycle. The calendar for the 2014 calendar year will be available in late 2013.

Which Form to File: Committees may use the “Short Form Campaign Finance Disclosure Statement” (SEEC Form 21) if they have not received funds or made or incurred expenditures in excess of \$1,000 from their inception through the close of the reporting period covered by the statement and have not previously filed an “Itemized Campaign Finance Disclosure Statement” (SEEC Form 30). Otherwise, they must use the SEEC Form 30. *Candidates intending to participate in the Citizens’ Election Program must use the SEEC Form 30 when applying for a grant and therefore are recommended to use SEEC Form 30 at the outset, even if they have not reached the \$1,000 threshold at the time of filing.*

Committees should also keep in mind that if they are required to file a SEEC Form 30, they will have to report all activity since the inception of the committee. In the case of eCRIS users filing a SEEC Form 30 after having filed one or more SEEC Form 21’s, the committee will be required to: (1) amend the first SEEC Form 21 submitted in which there was activity, if any, and report that activity; (2) amend all subsequent SEEC Form 21’s submitted after that initial Form 21, regardless of whether activity occurred in that particular period, so that the summary totals are properly reflected; and (3) submit the itemized statement (SEEC Form 30), covering the period laid out in the above calendar.

If the committee is not filing by eCRIS, then its first filed itemized statement (SEEC Form 30) must cover a period that begins with the date the committee first received funds, the date the committee first made or incurred expenditures, or the date the committee registered (whichever is earliest) and cover through the date laid out in the above calendar.

Type of Report: The “Type of Report” corresponds to the financial disclosure reports required by General Statutes § 9-608 (a).

Period Covered: The “Period Covered” means the dates for which the committee must report all of its financial activity. The period covered must include the financial activity of the committee beginning the first day not included on the last filed financial disclosure statement and must be complete through 11:59 p.m. of the date of the last day covered. For example, the April 10th filing covers all activity starting at 12:00 a.m. on January 1 and ending at 11:59 p.m. on March 31. If the committee came into existence after the beginning of the period covered by the statement, then the period covered must begin on the date the committee first received funds, the date the committee first made or incurred expenditures, or the date the committee registered (whichever is earliest).

Filing Deadline: The “Filing Deadline” is the last date on which the committee treasurer may submit his or her disclosure report. In addition, the disclosure report *may not be submitted* on or before the last day in the period covered. For example, the April 10th filing may not be submitted on March 31 or earlier, since it must cover the period ending on March 31. The earliest this report can be submitted is April 1. Statements filed after the applicable deadline for the filing period will be subject to a mandatory \$100 civil penalty.

When and Where to File: Statements must be filed with the State Elections Enforcement Commission. Statements are considered timely filed if they are filed electronically via eCRIS before midnight on or before the filing deadline date or if they are **received** by the Commission’s offices by 5:00 p.m. on or before the filing deadline date if delivered by the United States Postal Service, courier service, parcel service or hand delivery. ***NOTE: Effective January 1, 2012, filings sent by mail are no longer considered timely if postmarked by the filing deadline date – they must actually be received by the Commission’s offices by 5:00 p.m. on the filing deadline date in order to be deemed timely. Committees seeking confirmation of receipt should check their committee’s filing status on [eCRIS’s Document/Filing Search](#).**

NOTE: Self-funded candidates who have claimed an exemption from forming a candidate committee and have made or incurred expenditures over \$1,000 in the aggregate must file the SEEC Form 23 in accordance with the same schedule as that of a candidate committee.

If you have any questions about filing requirements, or need additional forms, have questions about how to report certain contributions and expenditures, or have questions about other campaign finance laws, please call the State Elections Enforcement Commission at (860) 256-2940 or (866) SEEC-INFO.
