Pursuant to Public Act 13-180, candidate committees in a special election are no longer required to file the quarterly statements due in January, April, July, and October.

Which Form to File: Committees may use the “Short Form Campaign Finance Disclosure Statement” (SEEC Form 21) when they have not received funds or made or incurred expenditures in excess of \$1,000 from their inception through the close of the reporting period covered by the statement and have not previously filed an “Itemized Campaign Finance Disclosure Statement” (SEEC Form 20). Otherwise, they must use the SEEC Form 20.

Committees should keep in mind that if they opt to file SEEC Form 21’s, they will still be required to report *all* activity since inception if and when they receive contributions or make expenditures exceeding the \$1,000 threshold. Reaching the threshold triggers the requirement to file an itemized statement (a “long form” SEEC Form 20). In the case of eCRIS users filing their first long form after having filed one or more SEEC Form 21’s, the committee will be required to: (1) amend the SEEC Form 21 covering the period in which the first financial activity of the committee occurred by amending the SEEC 21 to change it to a SEEC Form 20 and reporting that financial activity; (2) amend all subsequent SEEC Form 21’s submitted after that initial SEEC Form 21, to report any activity in those periods and to correct the summary totals, regardless of whether activity occurred in that particular period; and (3) after this “look back” reporting has been completed in eCRIS, submit the itemized statement (SEEC Form 20), covering the period laid out in the above calendar.

If the committee is not filing by eCRIS, then its first filed itemized statement (SEEC Form 20), if any, must cover a period that begins with the committee’s date of inception as the start date.

Type of Report: The “Type of Report” corresponds to the financial disclosure reports required by General Statutes § 9-608 (a).

Period Covered: The “Period Covered” means the dates for which the committee must report all of its financial activity. When the starting date of the period covered is the date the committee came into existence, then the period would begin on the date the committee first received funds, the date the committee first made or incurred expenditures, or the date the committee registered (whichever is earliest). The period covered must include the financial activity of the committee beginning the first day not included on the last filed financial disclosure statement and must be complete through 11:59 p.m. of the date of the last day covered. For example, the 7th day preceding the election filing covers all activity ending at 11:59 p.m. on October 25.

Filing Deadline: The “Filing Deadline” is the last date on which the committee treasurer may submit its disclosure filing. In addition, the disclosure filing *may not be submitted* on or before the last day in the period covered. For example, the 7th day preceding the election filing may not be submitted on October 25 or earlier, since it must cover the period ending on October 25. The earliest this report may be submitted is October 26. Statements filed after the applicable deadline of the filing period will be subject to a mandatory \$100 civil penalty.

When and Where to File: Statements are to be filed with the State Elections Enforcement Commission. Statements are considered timely filed if they are filed electronically via eCRIS before midnight on or before the filing deadline date or if they are *received* by the Commission’s offices by 5:00 p.m. on or before the filing deadline date if delivered by the United States Postal Service, courier service, parcel service or hand delivery. ***NOTE: Effective January 1, 2012, filings sent by mail are no longer considered timely if postmarked by the filing deadline date – they must actually be received by the Commission’s offices by 5:00 p.m. on the filing deadline date in order to be deemed timely. Committees seeking confirmation of receipt should check their committee’s filing status on [eCRIS’s Document/Filing Search](#).**

Footnotes:

1. Only committees of candidates in a primary must file on this date.
2. Any committee of an unsuccessful candidate in the primary that has eliminated any deficit or distributed any surplus may terminate at or before this time by filing a Termination Report in lieu of this report.
3. A candidate committee of an unsuccessful candidate in the primary whose name is not eligible to appear on the general election ballot is not required to file this statement.
4. The committee of a candidate who was not successful in the primary, which still has a deficit as of December 15, 2015 (the 90th day following the September 16, 2015 primary) must file this report, and must thereafter file a Deficit Report on the 7th day of each month in which there was either an increase or decrease of more than \$500 as of the last day of the month preceding the filing measured against the amount of the deficit reported on the last Deficit Report. A Termination Report may be filed in lieu of a Deficit Report if the deficit has been erased and any surplus has been distributed by the last day of the month preceding the filing of a Termination Report.

5. The committee of a candidate who was not successful in the primary and which had a surplus that was not yet reported as distributed must distribute or expend its surplus by December 15, 2015 (the 90th day following the September 16, 2015 primary) and submit a Termination Filing by December 22, 2015.
6. A candidate committee of a candidate on the ballot for the November special election which still has a deficit as of February 7, 2016 must file a Deficit Report on the 7th day of each month in which there was either an increase or decrease of more than \$500 as of the last day of the month preceding the filing measured against the amount of the deficit reported on the last Deficit Report. A Termination Report may be filed in lieu of a Deficit Report if the deficit has been erased and any surplus has been distributed by the last day of the month preceding the filing of a Termination Report.
7. A candidate committee of a candidate on the ballot for the November election must distribute or expend any surplus by March 31, 2016 and submit a Termination Report by April 7, 2016 (unless it has begun filing deficit reports). Keep in mind that any candidate committee which has distributed its surplus before March 31, 2016 must terminate within seven days of such distribution. Accordingly, such committee would have already filed its Termination Report and would not need to file the April 7, 2016 Termination Report.
