POLITICAL COMMITTEES ESTABLISHED BY OR ON BEHALF OF A LOBBYIST
2014 SESSION OF THE CONNECTICUT GENERAL ASSEMBLY

This list is issued by the Commission as required by the provisions of General Statutes § 9-610 (f). It contains the name of each political committee which has indicated in its registration statement filed with the State Elections Enforcement Commission that it was established by, on behalf of or controlled by a lobbyist.

The committees appearing on this list are *barred from soliciting and making political contributions during the 2014 regular legislative session* to or for the benefit of (1) candidate and exploratory committees for statewide office and the General Assembly, including committees of candidates who ran in previous elections for such offices, and which have deficits, and (2) other political committees which appear on the list entitled "*Prohibited Recipients List: Political Committees Prohibited from Receiving Lobbyist Contributions.*" Statewide office refers to the offices of Governor, Lt. Governor, Secretary of the State, Treasurer, Comptroller and Attorney General. In accordance with General Statutes § 9-610 (f), any ongoing political committee registered with the Commission is subject to these restrictions and included on this list if its treasurer failed to file a biennial registration statement by November 15, 2012.

Individuals who are registered lobbyists are similarly barred from soliciting and making political contributions to or for these candidate and political committees during the legislative session. The Office of State Ethics maintains a list of such individuals.

This ban applies from the opening of the regular legislative session on February 5, 2014 until adjournment *sine die* on May 7, 2014. . The ban is not applicable to candidates in a special election to fill a vacancy in any legislative office or to candidates for federal or municipal office. (Please note that communicator lobbyists, their spouses and dependent children, as well as political committees established or controlled by such individuals are subject to a year round \$100 contribution limit for certain committees outside of the legislative session. See General Statutes § 9-610 (g), as amended by Public Act 10-01 (Sp. Sess.)).
