

Department of Energy and Environmental Protection
State Emergency Response Commission
EPCRA Plan Review and Update
Request for Proposals RFP #DEEP-MMCA-SERC-03172015

The State of Connecticut, Department of Energy and Environmental Protection (DEEP) on behalf of the State Emergency Response Commission (SERC) is seeking a firm or contractor to review and update up to 20 designated local emergency response plans prepared by Connecticut's Local Emergency Planning Committees (LEPCs). These designated plans and associated LEPCs will be identified by the SERC. The firm or contractor will determine if these plans comply with the established Emergency Planning and Community Right-to-Know Act of 1986 (EPCRA) requirements. The contractor after completing a detailed plan review and update, will meet with individual LEPCs to review and finalize suggested changes, and will advise each LEPC on any preparedness needs based on identified risks within said LEPC jurisdiction. The plans are located at the regional offices of the Department of Emergency Services and Public Protection, Division of Emergency Management and Homeland Security (DEMHS).

Funding for this project will be provided by the U. S. Department of Transportation, Pipeline and Hazardous Materials Safety Administration. The proposed budget for this project is \$34,900. Detailed copies of the Request for Proposals may be obtained from the Connecticut Department of Energy and Environmental Protection, Attn: SERC, 79 Elm Street, Hartford, CT 06106-5127, and telephone (860) 424-3373 or on the SERC website at www.ct.gov/serc. Proposals may be mailed or delivered in person to Lisa Lawson at the above mentioned address and must arrive no later than 4:00 p.m. on May 5, 2015.
