Subject: Where's my dashboard?

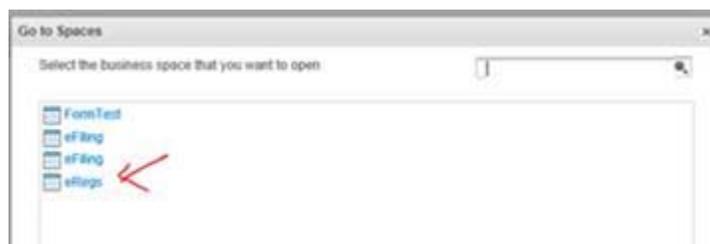

Good morning eRegs users:

Sometimes when you login, you may see a blank screen with a blue header. No need to worry...this happens occasionally when the system resets. To get back to your dashboard:

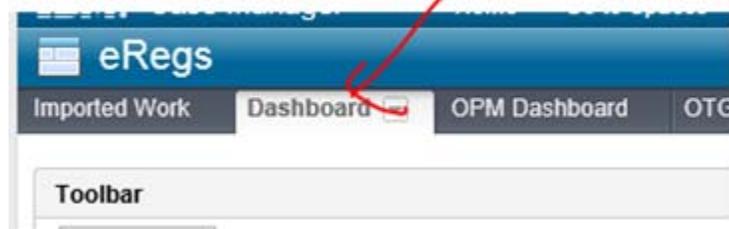

- Select "Go to Spaces" in the blue header:

- A box will open (may take 15-20 seconds, possibly longer)...Several items are listed, you should select "eRegs"

- Once eRegs loads, you can select your Dashboard tab.

- The next time you login, you will go directly to your dashboard.
