### **Child Feeding Programs**

#### **Sec. 10-215b-1. Competitive foods**

(a) No school food authority shall permit the sale or dispensing to students of extra food items anywhere on the school premises from thirty minutes prior to the start of any state or federally subsidized milk or food service program until thirty minutes after any such program.

(b) "Extra food items" means tea, coffee, soft drinks and candy.

(c) "School food authority" means the governing body which has the legal authority to operate one or more school feeding programs and receive state or federal subsidies for the operation of any such program.

(d) The provisions of this section shall not apply to the department of corrections.  
(Effective August 25, 1992)

#### **Secs. 10-215b-2—10-215b-22.**

Repealed, July 1, 1983.

#### **Sec. 10-215b-23. Income from the sale of food items**

The income from the sale to students of food items, anywhere on the school premises from thirty minutes prior to the start of any state or federally subsidized milk or food service program until thirty minutes after any such program, shall accrue to the school food authority for the benefit of state or federally subsidized milk or food service programs.

(Effective August 25, 1992)
