**ACTIVE/INACTIVE TEACHER BENEFICIARY FORM**

Section 10-183(h) of the Connecticut General Statutes requires that monthly survivor benefits be paid to the statutory survivors of members who die while active before any balance is paid to your designated beneficiary. This is true regardless of whom you designated as your beneficiary. A statutory survivor includes but is not limited to a spouse and/or a minor child under the age of 18. Refer to our [Survivorship Benefits Before Retirement Bulletin](#) before completing this form (survivorship benefits are not available to survivors of inactive members). This form supersedes and replaces any previous beneficiary designations. All items pertaining to beneficiaries must be completed in order for the Connecticut Teachers' Retirement Board (CTRB) to process the form; incomplete forms will be returned.

- Include a complete list of all beneficiaries.
- Type or print clearly in ink and do not use white out.
- Do not submit an amended copy of a previous beneficiary form.
- You may name any living person, your estate, a trust, or a charitable organization as your beneficiary.
- At least one primary beneficiary must be named. If more than one primary beneficiary is named, the share of any beneficiary who dies before you shall be divided equally among the surviving primary beneficiaries.
- A payment is made to a contingent beneficiary(ies) only if all primary beneficiaries die before you do.
- If you survive all of the beneficiaries named, payment would be issued to your estate.
- "Per Stirpes" designations (unnamed or unborn beneficiaries) are not accepted.
- All information must appear in the appropriate section of this form.
- To designate a trust as a beneficiary enter the name and date of the trust agreement in the Beneficiary section of this form; leave the Relationship and Social Security sections of this form blank; and indicate Primary or Contingent.
- To designate your estate as a beneficiary enter the word "Estate" in the Beneficiary section of this form; leave the Relationship and Social Security sections of the form blank; and indicate Primary or Contingent.
- Review your CTRB Member Annual Statement to verify your designated beneficiary election on our records.

## SURVIVORSHIP BENEFITS BEFORE RETIREMENT

If you die while in active service or while receiving a CTRB Disability Allowance, this system provides for benefits to your statutory survivors. A statutory survivor may be a spouse; child under the age of 18; dependent parent; legal guardian of the deceased member's child(ren) under the age of 18; or dependent former spouse. Connecticut statutes require that we pay monthly survivorship benefits to your statutory survivors before we pay any balance of your account to your designated beneficiary. If you have no statutory survivors, we will pay your account balances to your designated beneficiary in a lump sum.

Statutory Survivorship Benefits are as follows:

- \$300 monthly to each minor child under age 18.
- \$300 monthly to each disabled child.
- \$300 - \$600 monthly to surviving spouse (\$300 plus \$25 for each year of service over twelve to a maximum of \$600).

The maximum family survivorship benefit is \$1,500 monthly.

We will pay a one-time burial expense payment of up to \$2,000 maximum (dependent on length of service) to your surviving spouse. If there is no surviving spouse, we will issue this payment to the person who paid the funeral expenses.

If you die after meeting the age and service requirements for a retirement benefit, your statutory survivor may choose one of the following options in the settlement of the account (unless you have signed a waiver of these benefits):

- Monthly Survivorship Benefit (plus the one-time lump sum death payment).
- Monthly Plan D 100% Co-participant Benefit (this benefit is based on the retirement allowance you would have received at the time of your death, reduced by an option factor based on your age and your spouse's age for this option).
- Lump sum refund of your account balance.

If you would like your designated beneficiary to receive your account, you must waive the Co-participant option that is otherwise available to your statutory survivor. You may do so by checking the box at the bottom of the [Active/Inactive Teacher Beneficiary Form](#).

If you are an active teacher, you should review your CTRB Annual Member Statement to verify that your designated beneficiary election on our records is current.

Changes to your designated beneficiary election must be submitted directly to CTRB in writing on the proper form. Active or inactive teachers must file an [Active/Inactive Teacher Beneficiary Form](#). CTRB Disability Allowance recipients must file a [Beneficiary Election for Disability Allowance](#). Please retain a copy of the completed form for your records and forward it by fax directly to CTRB at the fax number above.
