- A spouse of a retired member, or
- A surviving spouse who has not entered into another marriage, or
- A disabled dependent of a member collecting a retirement benefit or a disability allowance, if there is no spouse or surviving spouse.
- You must be a legal resident of the United States to participate in the TRB health plan.

Mandatory Filing Requirements

- Proof of participation in Medicare Part A and Medicare Part B (a copy of Medicare Card or a letter from Social Security providing the Medicare I.D. Number and the effective dates for Medicare Part A and Medicare Part B)
- Copy of a marriage certificate or a marriage license from spouse, if enrolling
- If the application includes coverage for a disabled dependent, a copy of the member's most recent federal income tax return documenting the disabled dependent's status as the member's dependent
- One form per enrollee must be received by the 25th of the 2nd month preceding the effective date of coverage.

Changing Your TRB Coverage

- You may cancel all coverage at any time; reenrollment will be subject to all plan provisions, including dental, vision and hearing.

Important Information Regarding Our Plan

Effective January 1, 2015 the TRB Medicare Supplement will include Hospital, Medical, Major Medical, Prescription Drug Benefits and Dental, Vision & Hearing.

Effective January 1, 2015, Express Scripts Medicare® (PDP) for Connecticut Teachers' Retirement Board will be the Pharmacy Benefit Administrator.

- The federal government will only subsidize one prescription drug plan for you at a time. As the TRB plan receives federal funding you are not allowed to participate in another Medicare D prescription program, a Medicare advantage program, or the prescription drug program of another plan sponsor who receives the federal reimbursement. If we are notified that you are participating in one of these plans, your TRB health coverage will be cancelled, including your Medicare supplemental health plans or any other coverage you may have with us.

- The cost of prescription drugs varies from one pharmacy to another, therefore, if you use a retail pharmacy we encourage you to shop around.
- The annual prescription deductible of \$320 begins on January 1st and is not prorated when you participate for a portion of the year. Members enrolling late in the year are subject to the full \$320 deductible in the year they enroll and are also subject to the full \$320 deductible in the new year which begins the following January. For example, if joining the plan on December 1st, there is a deductible that would apply for December that would be renewed for January 1st, since these two months fall in different calendar years.
- A spouse is not eligible for TRB coverage upon divorce or legal separation. In the event a former spouse is participating in the TRB sponsored health insurance plan, the member must inform TRB and provide a copy of the legal separation or dissolution of marriage as soon as possible.
- A surviving spouse is not eligible upon remarriage. Prompt notification is required.
- The TRB provides address changes to all of our health plan vendors. You must maintain your current address with us at all times to ensure as little disruption as possible in the delivery of services and the processing of claims.
