Addendum #3 – September 1, 2011

RFP TRB 2012-02

PROPOSAL DUE DATE EXTENDED TO 1:00 PM ON TUESDAY, SEPTEMBER 6TH, 2011

Corrected claim counts and explanations for TRB:

Medicare Part A Supplemental: 4,017 claims for the year

This includes hospital claims and skilled nursing facility claims.

Medicare Part B Supplemental: 457,404 claims for the year

This is a total of 1,349,341 claim lines for the year as supplied by Medicare secondary sources. Many claims have more than one line that our claims system bundles into a single claim event.

Major Medical: 5,597 claims for the year

These are major medical claims defined by the TRB plan, not the common usage of the term. These claims apply to out of country claims, the extra 15% charged by physicians that do not accept assignment, and the extra 20 days of skilled nursing facility charges post Medicare standard benefit.

Vision: 7,171 claims for the year

Hearing: 243 claims for the year
