APPLICATION FOR WITHDRAWAL OF VOLUNTARY ACCOUNT

Withdrawals are issued on the last business day of the next month following the receipt of a completed application and must be for the total Voluntary account balance. The account balance will reflect a pro-rata (monthly) portion of the previous year's investment rate of return from July 1st through the withdrawal date. An Application for Withdrawal may not be rescinded after the end of the calendar month in which TRB receives it. **Please note this will be considered your one time withdrawal.**

SPECIAL TAX NOTICE REGARDING PAYMENTS ELIGIBLE FOR ROLLOVER

If you withdraw your funds, the pre-tax contributions, as well as the interest/return on all contributions, are eligible for rollover.

Your "after-tax" contributions are not taxable. CTRB will process these as a refund to the member and not as a rollover.

A payment from the Connecticut Teachers' Retirement Board that is eligible for rollover may be taken in two ways:

▶ Direct Rollover

In accordance with the provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001, effective January 1, 2002, your payment from CTRB may be sent directly to:

- Another Qualified Employer Plan I.R.C. 401(a)
- Profit Sharing Plan I.R.C. 401(k)
- 403(b) Annuity or 403(b) Custodial Account
- Individual Retirement Account (IRA) I.R.C. 408 (non-Roth)
- Deferred Compensation I.R.C. 457

If you choose the Direct Rollover option, your distribution will **not** be taxable in the current year and no income tax will be withheld by CTRB. We recommend that you contact the Custodian/Trustee for information regarding the future tax obligation that you will have when you withdraw your funds from their plan.

OR

▶ Paid Directly to You

CTRB is required to withhold 20% of the payment (the taxable portion) for Federal tax purposes. Your payment will be taxed in the current year unless you roll it over. You may be able to use special tax rules that could reduce the tax you owe. However, if you receive the payment before age 59 1/2, you also may have to pay an additional 10% tax. Within 60 days of receiving the payment, you may rollover 100% of the payment to a Qualified Plan by replacing the 20% that was withheld for Federal tax purposes.

We suggest that you contact the Internal Revenue Service for further information on your Federal tax obligation at 1-800-829-1040 or visit their website @ <http://www.irs.gov/>.

At your request, CTRB will also withhold Connecticut State Income Tax from your distribution. You may choose not to have Connecticut withholding but by doing so, you are not relieved of any tax liability which may be due. CTRB can only withhold State taxes for the State of Connecticut. Questions concerning your Connecticut tax obligation should be referred to the Connecticut Department of Revenue Services at (860) 297-5962 or visit their website @ www.ct.gov/drs.
