Re: Notice of Scoping for Union Pond Dam and City Pond Dam Removal

Dear Mr. Biron:

The Drinking Water Section of the Department of Public Health has reviewed the above-mentioned project for potential impacts to any sources of public drinking water supply. This project does not appear to be in a public water supply source water area; therefore, the Drinking Water Section has no comments at this time.

Sincerely,

A handwritten signature in black ink, appearing to read "Patricia Bisacky".
