IV. Division Reports

Executive Director’s Report: presented by Tanya Hughes, Executive Director

The Director offered condolences to Chair Payne on the loss of her father and to Commissioner Norton on the loss of his sister. The agency suffered many losses this Holiday season including our own Dr. Valerie Kennedy. She was the reviewer of Affirmative Action plans for CHRO. There was a great outpouring of condolences from around the state and attendance at her funeral. This was a testament to her character and the type of person she was. This was an extreme loss to our agency. Deputy Director Cheryl Sharp has stepped in and began the process of working on the AA plans. The agency will be submitting paperwork to OPM to refill the position next week. We are also looking to refill other vacancies such as the regional manager’s position in Bridgeport and the legislative liaison position. Conversations have been had with the Governor’s office and with Ben Barnes office. We are under a new audit for the years 2013-16. We welcome them. We are currently working on our own affirmative action plan with Marla Shiller. We hope to accomplish that goal by the end of the month. We are in the midst of a computer upgrade and a complaint tracking system upgrade, and we are trying to help develop the pipeline of talent and diversity. This is part of the committee we are seated on that Commissioner Norton chairs. The Executive Director’s production report shows that we are forging ahead in eliminating our aged inventory.

A detailed Production report was provided.

The first bill has to do with the Office of Public hearing regarding an election made to have an agency lawyer file to have an employment case in court. This is to help relieve some of the case load on OPH.

The second bill has to do with the Housing unit regarding notarizing certain documents for the Complainants and the Respondents.

Finally, the CHRO is trying to have our agency put in a “Lockbox” This is to try and keep our agency from having any more of our Budget removed by the State.
