

**CT Council on Developmental Disabilities****Executive Committee Meeting****January 3, 2014****By Conference Call**

**Present:** Christine Sullivan, Shelagh McClure, Michelle Duprey, Michelle Johnson, Antonio Orriola, Melissa Morton, Bill Knight

**Staff:** Molly Cole

A quorum was established at 12:05 and Bill Knight called the meeting to order.

Molly discussed the request from Morna Murray, CEO of the CT Community Providers Association to co-sponsor an event in February to that would operationalize the current CT Department of Developmental Services Five Year Plan. She gave the back ground to this request. The co-sponsorship does not involve use of DD Council funds, but does provide an opportunity for members of the Council to participate in this event. The intent is to develop a meaningful five year transformation for the current five year plan.

Following the discussion Bill Knight called for a motion. Shelagh McClure moved that the Committee approve the co-sponsorship of a February event with CCPA to address the current five year plan for DDS.

Antonio Orriola seconded the motion and it passed unanimously.

The meeting adjourned at 12:23 PM.
