Connecticut utilizes the DOE Algorithm from the ORNL/TM-2014/338 national evaluation.			

**IV.4 DOE-Funded Leveraging Activities**

In previous program years DOE funds were set aside for leveraging with non-federal resources to replace heating systems for DOE eligible homeowners

whose present heating systems needed replacement. Since leveraging funds are not to be used for the payment of weatherization materials installed in a home, Connecticut ceased setting aside funds for this activity. The state will now replace heating systems in eligible owner occupied homes if an SIR of one or more is achieved or under the Health and Safety category. The utility companies will still continue to pay a portion of the replacement cost.

**IV.6 State Plan Hearings (Note: attach notes and transcripts to the SF-424)**

Date Held	Newspapers that publicized the hearings and the dates the notice ran
04/10/2019	The Public Notice for the Weatherization State Plan was issued March 26, 2019 and published on DEEP's website and was provided via electronic mail to US DOE and the Connecticut Association of Community Action Agencies. It was also sent to CT's Policy Advisory Council [LIEAB] for distribution. The notice invited public comments through April 24, 2019 and announced a public hearing held April 10, 2019

**IV.7 Miscellaneous**

Recipient Principal Investigator: Brian Biernat  
DEEP.Weatherization@ct.gov  
860-827-2983

CT WAP will continue ongoing collaborations with CT LIHEAP delivery and Utility leveraged cost share partners to integrate and streamline those funding streams during the 2019 DOE program year.

The Low-Income Energy Advisory Board (LIEAB) is Connecticut's PAC. They meet on the first Wednesday of alternating months. At the April 2019 LIEAB meeting, Diane Duva, Director of Weatherization, and Brian Biernat, Principle Weatherization Investigator, will provide an update of the CT WAP PY19 application and solicit any feedback and recommendations from the Board.

The State of Connecticut established a Low-Income Energy Advisory Board, in accordance with Connecticut General Statutes Sec. 16a-41b, to assist the Office of Policy and Management and the Department of Social Services in the planning, development, implementation, and coordination of energy-assistance-related programs and policies such as the Low-Income Home Energy Assistance Program. The Board advises the Department of Energy and Environmental Protection regarding the impact of utility rates and policies and the Low-Income Weatherization Assistance Program.
