Join us as we kickoff National Prevention Week with an informative presentation by Ruth Potee, MD on the topic of “The Physiology of Addiction: Effects of Drug-Taking Behavior on the Brain.”

Enjoy live music and light refreshments, and tour the museum. The winners of the National Prevention Week video PSA contest will also be announced.

Registration is required at www.ctclearinghouse.org/registration.

Follow along on social media #CTPreventionWeek

Dr. Ruth Potee is a board certified Family Physician and Addiction Medicine physician at Valley Medical Group in Greenfield, MA. She attended Wellesley College, Yale University School of Medicine and did her residency at Boston University where she remained as an assistant professor of Family Medicine for eight years. In addition to practicing full-scope family medicine, she is currently the Medical Director for the Franklin County House of Corrections, the Franklin Recovery and Treatment Center and the Pioneer Valley Regional School District as well as the Chair of the Healthcare Solutions of the Opioid Taskforce of Franklin County. She was named Franklin County Doctor of the Year by the Massachusetts Medical Society in 2015. Dr. Potee engages communities in discussions surrounding substance abuse through her wide ranging series of talks.
