What Are The Teens Up To?: Vaping, Weed, "Dabs" and More

Come and learn about all the current risky trends among teens and how you as a parent can help keep your child safe. This program will cover the current epidemic of adolescent anxiety, the Vaping phenomena, use of highly potent cannabis products and the role of social media in creating cultural acceptance of harmful behaviors in our kids.

Wednesday, May 15th
Newtown Middle School
7:00PM – 8:30PM

Liz Jorgensen has 30 years experience with adolescent and adult psychotherapy and counseling. She is a nationally recognized expert in counseling, particularly in engaging resistant teens and motivating them to change.
