Subject: PROPOSED DECLARATORY RULING 2016-A
Date: Tuesday, June 21, 2016 10:38:50 AM

Even the perception of conflicting interest undermines the case for Katherine Wade's participation (in any capacity) in the massive health insurance merger featuring her former employer. Her husband's current employer!

Malloy should be ashamed of himself for naming anyone with ties to Cigna, and Wade should be ashamed of herself for accepting. Surely a more impartial candidate for Commissioner exists in our state!

Outrageous and Orwellian.
