Subject: PROPOSED DECLARATORY RULING 2016-A

Date: Wednesday, July 20, 2016

Dear Ethics Board:

I am writing to you regarding Connecticut Insurance Commissioner Katharine Wade's decision not to recuse herself from the CIGNA/Anthem merger review. I believe that Ms. Wade's & her family's close relationships with Cigna and her position as lead regulator of the National Association of Insurance Commissioners will adversely affect her ability to conduct the review of the merger and take action that is fair or objective.

I ask that you find that it is inappropriate for Commissioner Wade to act in that capacity, and that she remove herself immediately.

Thank you,

Beverly Dunn
