Re: Anthem-Cigna Merger

Ms. Wade's participation in the Anthem-Cigna merger is clearly a conflict of interest and the politicians in power disagree. Have they caved in to the lobbyists and their special interests or is Ms. Wade's participation truly legal? If it is the latter, our State Code of Ethics will need revising to close the corrupt loopholes.

In addition, I am confident that both Ms. Wade and her husband are both Cigna stockholders and have the potential for a significant financial gain. If true Ms. Wade must be automatically disqualified from the Anthem-Cigna merger process.
