**Subject:** Cigna Anthem merger  
**Date:** Wednesday, July 06, 2016 1:04:35 PM

---

To whom it may concern, In reviewing the overwhelming public information available, I cannot possibly see how commissioner Wade could possibly even be remotely involved in any processes moving forward. I also implore all who can stop a merger of this magnitude negatively impacting all involved. I am a cigna carrier and do not want this merger going through. I have little choices know and will have even less if this merger goes through. Thank you

Eric
