OFFICE OF STATE ETHICS

DOCKET NUMBER 2007-21

IN THE MATTER OF A

COMPLAINT AGAINST

WARREN GODBOLT

: 18-20 TRINITY STREET
: HARTFORD, CT 06106
: DECEMBER 14, 2009

STIPULATION AND CONSENT ORDER

Pursuant to the Code of Ethics, General Statutes sections 1-79, et seq., Thomas K. Jones, Ethics Enforcement Officer for the Office of State Ethics (“OSE”), issued a Complaint against the Respondent Warren Godbolt (“Godbolt” or “Respondent”) for violations of the Code of Ethics, Connecticut General Statutes sections 1-84(f), 1-94 and 1-96(b). Based on the investigation by the Enforcement Division of the OSE, the Ethics Enforcement Officer finds there is probable cause to believe that the Respondent offered and/or gave money to a state legislator based on the understanding that the state legislator would support the awarding of state monies to a non-profit organization run by the Respondent. Consequently, the Ethics Enforcement Officer finds there is probable cause to believe that the Respondent offered and gave items of value to a state legislator based on the understanding that his official action or judgment had been influenced thereby, in violation of General Statutes section 1-84(f).

The Parties have entered into this Stipulation and Consent Order following the issuance of the Complaint, but without any adjudication of any issue of fact or law herein.
I. STIPULATION

4. On or about May of 2004, the Respondent learned that one hundred thousand dollars ($100,000.00) in State of Connecticut Bond Commission (hereinafter the “Bond Commission”) monies would be allocated to finance proposals relating to capital projects in Connecticut.

5. In or about May or June of 2004, the Respondent made an agreement with Newton that, if the Respondent paid $5,000 to the state legislator, the legislator would secure the $100,000 for the Respondent.

6. In or about June of 2004 and July of 2004, the Respondent paid Newton $5,000 based on the understanding that Newton would assist the Respondent in securing Bond monies for Progressive Training.

7. On or about August 6, 2004, the Bond Commission approved $100,000 in funding for building improvements and renovations to the Progressive Training facility located at 1027 Fairfield Avenue, Bridgeport, Connecticut.
8. Pursuant to General Statutes §1-84(f):

No person shall offer or give to a public official or state employee ... anything of value, including but not limited to, a gift, loan, political contribution, reward or promise of future employment based on any understanding that the vote, official action or judgment of the public official, state employee ... would be or had been influenced thereby.

9. By offering to give and/or giving money to Newton based on the understanding that Newton would assist the Respondent in securing Bond monies for Progressive Training, the Respondent violated General Statutes §1-84(f).

10. The Respondent admits that he violated General Statutes §1-84(f), as his conduct is described above.

II. JURISDICTION

1. The Ethics Enforcement Officer is authorized to investigate the Respondent’s employment practices, to issue a Complaint against the Respondent, and to enter into this Stipulation and Consent Order.

5. The Respondent consents to jurisdiction and venue in the Connecticut Superior Court, Judicial District of Hartford, in the event that the State of Connecticut seeks to enforce this Stipulation and Consent Order. The Respondent recognizes that the Connecticut Superior Court has the authority to specifically enforce the provisions of this Stipulation and Consent Order, including the authority to award equitable relief.

6. The terms set forth herein are in addition to, and not in lieu of, any other existing or future statutory, regulatory, or other legal obligation that may be applicable to the Respondent.

III. ORDER

NOW THEREFORE, pursuant to General Statutes section 4-177(c), the Office of State Ethics hereby ORDERS, and the Respondent agrees, that:

1. Pursuant to General Statutes section 1-88(a)(1), the Respondent will heretofore cease and desist from any future violation of General Statutes § 1-84(f).

4. The Respondent agrees that he shall not seek or enter into any state employment until after two years from the date of the execution of this agreement.

5. The Respondent agrees that he shall comply with the terms and conditions of any existing agreements with the State of Connecticut Attorney General, and that, should he fail to comply with the terms and conditions of any such agreements, the Enforcement Division reserves the right to re-open this matter.

WHEREFORE, the Ethics Enforcement Officer and the Respondent hereby execute this Stipulation and Consent Order dated December 14, 2009.
