DOCKET NUMBER 2012-45 : OFFICE OF STATE ETHICS
IN THE MATTER OF A : 18-20 TRINITY STREET
COMPLAINT AGAINST : HARTFORD, CT 06106
LUCILLE DELLA MARGGIO : August 21, 2014

STIPULATION AND CONSENT ORDER

Pursuant to the Code of Ethics, General Statutes § 1-79, et seq., Thomas K. Jones, Ethics Enforcement Officer for the Office of State Ethics (“OSE”), issued a Complaint against the Respondent Lucille Dellamarggio (“Dellamarggio” or “Respondent”) for violations of the Code of Ethics, General Statutes § 1-84 (c). Based on the investigation by the Enforcement Division of the OSE, the Ethics Enforcement Officer finds there is probable cause to believe that the Respondent, who was a Connecticut State employee, violated the Code of Ethics as set forth in the Complaint.

The Parties have entered into this Stipulation and Consent Order following the issuance of the Complaint, but without any adjudication of any issue of fact or law herein.

1. STIPULATION

The Office of State Ethics and the Respondent stipulate to the following facts:

1. At all times relevant hereto, the Respondent was employed by the Department of Mental Health and Addiction Services (“DMHAS”) as an Associate Accounts Examiner assigned to the Southwest Community Mental Health System (hereinafter “SWCMHS”) and, as such, was a “state employee,” as that term is defined by General Statutes §1-79 (m).
2. The SWCMHS provides community outpatient services at the F.S. DuBois Center (hereinafter “FSDC”), which is responsible for providing ongoing, individualized treatment to persons living in the community with severe behavioral health disorders who are publicly insured, uninsured and in some cases underinsured.

3. Among the mental health clients treated and cared for by SWCMHS are those who live independently and need minimal support. Many of the mental health clients, however, have consistent difficulty with severe psychiatric illness, numerous hospitalizations and need intensive community support services.

4. As an Associate Accounts Examiner for DMHAS, the Respondent’s duties included examining financial records of State agencies and receiving funds to be distributed and monitored by the State of Connecticut to the above mentioned mental health clients, (hereinafter “client funds”).

5. More specifically, as an Associate Account Examiner assigned to SWCMHS and through FSDC, the Respondent maintained the custody of client funds and the handling of personal finances for mental health clients who were incapable of managing their own funds, accounts and financial affairs.

6. The Respondent, in her capacity as Associate Accounts Examiner, was responsible for determining how much of the client funds were withdrawn from each mental health client’s account, how much of the client funds were delivered to each mental health client and how the accounting records reflected how much of the client funds were withdrawn and delivered to each mental health client.

7. As such, the Respondent had sole control and custody over the mental health client funds that were to be distributed to mental health clients at FSDC.
8. Beginning on or about July 1, 2008 and continuing until on or about March 31, 2012, Respondent used her public office or position to obtain financial gain for herself by misappropriating mental health client funds that she had custody and control over.

9. Dellamarggio did not have authority or permission to use the mental health client funds for her own personal financial gain.

10. Dellamarggio had access to the mental health client funds by virtue of her state position.

11. Pursuant to General Statutes § 1-84 (c),

   “No public official or state employee shall . . . use his public office or position . . . to obtain financial gain for himself . . .”

12. By using mental health client funds without authority or permission to do so, Dellamarggio used her state position to obtain financial gain for herself, in violation of § 1-84 (c).

14. Respondent admits to the foregoing facts and admits that such facts constitute violations of the Code of Ethics, General Statutes § 1-84 (c).
II. RESPONDENT’S POSITION

1. Respondent states that she believes that her actions in connection with client disbursements was consistent with SWCMHS “policy and procedures for cash and checks.”

2. Due in part to her tremendous personal financial issues along with medical issues concerning the Respondent’s mother and to avoid what she believes would be costly and lengthy legal proceedings, the Respondent does not wish continue this matter further and agrees to settle this matter.

3. Respondent states that she has voluntarily left state service.
III. JURISDICTION

1. The Ethics Enforcement Officer is authorized to investigate the Respondent’s acts as set forth herein, to issue a Complaint against the Respondent, and to enter into this Stipulation and Consent Order.

2. The provisions of this Stipulation and Consent Order apply to and are binding upon the Respondent.

3. The Respondent hereby waives all objections and defenses to the jurisdiction of the Office of State Ethics over matters addressed in this Stipulation and Consent Order.

4. The Respondent waives any rights he may have under General Statutes §§ 1-80, 1-82, 1-82a, 1-87 and 1-88, including the right to a hearing or appeal in this case, and agrees with the Office of State Ethics to an informal disposition of this matter as authorized by General Statutes § 4-177 (c).

5. The Respondent consents to jurisdiction and venue in the Connecticut Superior Court, Judicial District of Hartford, in the event that the State of Connecticut seeks to enforce this Stipulation and Consent Order. The Respondent recognizes that the Connecticut Superior Court has the authority to specifically enforce the provisions of this Stipulation and Consent Order, including the authority to award equitable relief.

6. The terms set forth herein are in addition to, and not in lieu of, any other existing or future statutory, regulatory, or other legal obligation that may be applicable to the Respondent.
7. The Respondent understands that she has the right to counsel and has expressly and knowingly waived such right during the OSE’s investigation and in connection with the negotiation of this Stipulation and Consent Order.

III. ORDER

NOW THEREFORE, pursuant to General Statutes § 4-177 (c), the Office of State Ethics hereby ORDERS, and the Respondent agrees, that:

1. Pursuant to General Statutes § 1-88 (a) (1), the Respondent will heretofore cease and desist from any future violation of General Statutes § 1-84 (c).

2. Pursuant to General Statutes § 1-88 (a) (3), the Respondent will pay a civil penalty to the State in the amount of four thousand seven hundred and fifty dollars ($4,750), according to the terms set forth in Exhibit A hereto, for her alleged violations of General Statutes §1-84 (c) as set forth in the Complaint.
WHEREFORE, the Ethics Enforcement Officer and the Respondent hereby execute this Stipulation and Consent Order dated August 21, 2014.
