Connecticut Office of Early Childhood

Internship Program
Agency Information

The Connecticut Office of Early Childhood (OEC) was established in 2013 to coordinate and improve the various early childhood programs and components in the state to create a cohesive high-quality early childhood system.

The OEC oversees a coordinated system of early childhood care, education and support.

Our Vision:

All young children in Connecticut are safe, healthy, learning and thriving. Each child is surrounded by a strong network of nurturing adults who deeply value the importance of the first years of a child’s life and have the skills, knowledge, support and passion to meet the unique needs of every child.

Our Mission:

To support all young children in their development by ensuring that early childhood policy, funding and services strengthen the critical role families, providers, educators and communities play in a child’s life.

Our Guiding Principles:

- Prioritize children facing barriers, risks, setbacks or challenges to their healthy development
- Foster a deep respect for cultural differences in child rearing practices
- Honor families’ diverse languages, values, strengths and needs
- Consider the whole child, his or her family, and his or her community setting
- Value early childhood as a time of learning through play and building positive relationships
- Ensure equal access to and parent choice within all early childhood services
- Operate in an efficient, coordinated, caring, professional and effective manner
